THOUGHT FOR THE DAY

- The four speeds of prayer are slow, slower, pause and reverse.
 - God promises believers a safe landing but not a smooth passage.
 - Jesus does not just call believers. He calls disciples who will follow him through suffering love to the cross.
 - Prayer is more about trust and hope than about arranging the world to suit me.
 - I cannot work miracles, but by active loving I can work healing all the time.
 - It is always a mistake to do nothing because I can do just a little.
 - Before you sleep, name one thing for which you are grateful that day.
